

Privacy Policy

Effective Date: 1.1. 2025

1. Introduction

This Privacy Policy explains how Pavel Dutka handles data when you use the QR Code Scanner app. By using the App, you agree to the practices outlined in this policy.

2. Data Collection and Usage

We do not collect, store, or share any personal or sensitive user data. The App uses your device's camera solely to scan QR codes, and the scanned data is processed locally on your device.

3. Permissions

The App requires access to the device's camera to enable QR code scanning. This permission is used solely for this purpose and not for any other functionality.

4. Data Sharing

Since no data is collected, we do not share any data with third parties.

5. Children's Privacy

The App is designed for users of all ages. We do not knowingly collect data from children.

6. Security

As we do not collect or store user data, there is no need for additional security measures beyond those provided by your device.

7. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Changes will be posted on this page with the updated "Effective Date."
